Insights to Entrepreneurial Success

Gordon Hartman

Gordon Hartman, founder of the Gordon Hartman Family Foundation, will be our speaker for December and will speak on Insights to Entrepreneurial Success. During his 22 years of leading Gordon Hartman Homes, Gordon also founded Gordon V. Hartman Enterprises, Horizon Mortgage Company, Hartman Title Company, Hartman Insurance Services and Nationwide Real Estate Company.

In 2005, Gordon sold his homebuilding company to a San Diego-based firm, giving him the opportunity to pursue new endeavors, including his dream of helping children and adults who deal with the daily obstacles of mental and physical disabilities. Gordon and his wife Maggie's decision to give their time and resources to this specific cause stems from the love for their daughter, Morgan, who copes daily with cognitive and physical disabilities.

Families who deal with cognitive and physical disabilities face daily obstacles that are truly hard to imagine. In September of 2005, Gordon Hartman established a foundation to help Bexar County area non-profit agencies assist these families. Visit the Hartman Foundation website at www.morganswonderland.com.

Also, please take this opportunity to pay your annual dues (\$25/\$95 Corporate), thanks!
