

## Timely Aspects for Inventors & Entrepreneurs

David Hendricks

David Hendricks, business writer and columnist with the San Antonio Express-News, will be our speaker at our annual Christmas Party and will speak on Timely Aspects for Inventors and Entrepreneurs. Mr. Hendrick's presentation will discuss what is happening in San Antonio with respect to venture capital and professional services for inventors and entrepreneurs, and more importantly, timely aspects involved in bringing products to market.

Mr. Hendricks joined the Express-News in 1976 and reported for the Metro desk for seven years, including at City Hall. In 1983, he served for six months at the Austin Capitol Bureau before coming back to join the business section. From 1986 to 1992, he was business editor and started his column in 1989. In 1992, he concentrated on columns until 2009, when he started writing news articles as well on chambers of commerce, international business and Clear Channel. He also writes book reviews, travel pieces and reviews of classical music concerts, including the San Antonio Symphony. David holds a bachelor's degree in journalism from the University of Texas at Austin and a master's degree in English literature from UTSA. For more information visit
