INVENT SAN ANTONIO!

“Preparing Your Venture for Funding”

David R. Clark, Director of Enterprise Services, SATAI

You have invented some innovative technology and want to start a company. Now, you realize that you will need some outside funding. David Clark, Director of Enterprise Services for SATAI will discuss the non-technical aspects of readying your enterprise for funding.

This discussion will focus on some practical aspects of this process including some tips on what potential investors will find appealing and not so appealing.
