

“Commercializing Eco-Friendly Products”

Jack Juen

Jack Juen, President of Bio Pulp Works, LLC, will be our guest speaker for February. He will speak on “Commercializing Eco-Friendly Products”. Visit Mr. Juen’s website at www.biopulpworks.com.

Mr. Juen has enjoyed a long and distinguished career as both a corporate executive and highly successful entrepreneur. Twenty years ago, his company became a leading supplier of paper products throughout southwest Texas. Jack and his venture partner and chief executive officer Jack Terrazas recently formed Bio Pulp Works to provide eco-friendly products in the fast growth sustainable products industry. Jack will present valuable information he has learned in the commercialization of his biodegradable paint tray.

Also, please take this opportunity to pay your annual dues (\$25/\$95 Corporate), thanks!
