INVENT SAN ANTONIO!

“From Napkin to Production”

Klaus Weiswurm, President of ITM

Our guest speaker to begin our new year is Mr. Klaus Weiswurm- President of ITM a high tech engineering design company located in Schertz, Tx.

ITM is an innovator in the development and production of factory automation, process control systems and precision machining services for the manufacturing industry since 1929.

The capabilities and production systems of ITM have assisted its customers in the achievement of the highly respected "Six Sigma" and "Malcolm Baldrige" quality and performance awards.

The topic of his presentation will be "From Napkin to Production" or "How to Design Your Concept for Manufacturing" For further information, please visit the www.itm-texas.com website.
