

## Take Your Invention Ideas to the Next Level Brian Fried

Brian Fried is a serial inventor with many of his inventions in mass retail, on TV, QVC, catalogs and online retailers through both licensing and manufacturing. He is the author of "[You & Your Big Ideas](#)" and his second book was just released for 2016, "[Inventing Secrets Revealed](#)". Brian will present his many inventions from concept to market including Pull Ties, Eggstra Space, 123 Meals, Knot Out, Balloon-O-Band, Snack-O-Spheres and other prototypes.

Brian has been featured in the New York Times, Inc. Magazine, Newsday, Inventors Digest, CBS News and Food Network. He is also the host of Got Invention Radio, [www.gotinvention.com](http://www.gotinvention.com), interviewing high profile guests including the U.S. Patent & Trademark Office and Lori Greiner from ABC's Shark Tank, Legal Zoom, Hasbro, Johnson and Johnson, Alibaba, Walmart, the inventor of the cell phone, Jenga inventor and over 150 past interviews available to be downloaded or to listened to online.

He founded and continues to run inventors clubs on Long Island representing Nassau and Suffolk counties, in New York and is the Content Expert Writer for Answers.com Invent category. Brian mentors and represents inventors at all stages of the invention process and is an advocate for inventors within the invention community. Another of his personal websites is [www.inventorconsulting.com](http://www.inventorconsulting.com).

Here is a [short bio video](#) (but needs to be updated with his latest inventions he will show you during the meeting!) Looking forward to answering your invention questions and helping you get your ideas to the next level.

Be sure to bring your invention questions, as Brian will be sure to have solid answers. Don't forget to check out his very informative interviews on [www.gotinvention.com](http://www.gotinvention.com).

Also, please take this opportunity to pay your annual dues (\$25/\$95 Corporate), thanks!
