“3 Things Inventors Must Know”

Jerry Baca, Co-Founder and Managing Director of You & Associates, LLC

There are many steps to a successful invention. Jerry will focus on the top three.

Jerry has held executive positions with IBM, Quantum, Gateway and most recently Digeo. His expertise in global supply chain solutions has allowed him to establish a world class supply base that continues to reach across multiple hi-tech industries. Jerry directs Y&A's supply chain solution process, global manufacturing, strategic sourcing alliances and long-range planning. Jerry holds a mechanical engineering degree from San Jose State University.
