## “Sell on TV”

Elliott Brackett, principal of Exceptional Products, Inc.

Exceptional Products, Inc is a direct response television marketer and distributor based in Dallas. Elliot will speak on how they market products on television as well as on QVC, HSN and national retailers; what nine qualities EPI look for in selecting their products. EPI does not charge inventors for product reviews or any other service. EPI generally licenses patents, bears all marketing risks and pays royalties on product sales.
