

Bilski v. Kappos: Cross-Industry & Cross-Border Ramifications

William N. Hulsey III

On June 28, 2010, the Supreme Court rendered the decision in the *Bilski v. Kappos* to affirm the U.S. Patent & Trademark Office's denying patent protection for a business method while confirming that certain business methods could receive U.S. patent protection.

A special business presentation will be given by William N. Hulsey III, Principal, Hulsey P.C. Intellectual Property Lawyers, to explain the ramifications from this case. He will detail how the *Bilski* Decision applies to:

- Business Method, Social Media and Software patents**
- Life Sciences, Green and Energy Technology patents**
- Issued patents & U.S. and International Patent Applications**
- Patent Asset Values and Risks**

More Importantly, William Hulsey will offer strong and practical patent strategies in response to the *Bilski* Decision. For more information, visit www.hulseyiplaw.com.

Also, please take this opportunity to pay your annual dues (\$25/\$95 Corporate), thanks!
